January is Faith Month

During the Month of January our Core Value will be Faith. We will work to instill that students are:

- showing a confident believe and having knowledge of God.
- praying often and devoutly (with respectfulness). -demonstrating your faith in your actions to others.
- demonstrating your faith in your words to others. -have good church manners.

Christmas Shoppe - wrap up

by Leona Pliss

Thanks to our many wonderful volunteers for making this years Christmas Store a success. The final was an impressive \$568.50. That means we sold 1157 items at 50¢ each. Of course the most important aspect of the Christmas Store is the delight and challenge of the children in choosing the perfect gift for those on their list. For example one of the preschoolers who found a necklace that was "boo-full just like mommy" or my own son who choose the perfect stuffed animal for each family member. These are the things that make cherished Christmas memories for everyone.

A big thank you to everyone involved. We couldn't have done it with out you!

As part of our dress code and to add more school spirit we are asking that everyone where a school shirt or the school colors (red/white) to our Wednesday School Masses. Let's fill the church and school with School Pride each and every Wednesday!

In the event of severe winter weather, if the Ashland Public Schools are closed, so is Our Lady of the Lake Catholic School.
